MEDPREP MISSION & GOAL STATEMENT

The Mission of MEDPREP Vocational Training Center is to provide an environment where all students are given the opportunity to reach their potential of becoming a nursing assistant through 'hands-on' training and a career building education.

- Goal #1: To provide a positive environment which is safe, orderly and conducive to learning.
- Goal #2: To place an emphasis on learning skills to facilitate success in becoming a nursing assistant.
- Goal #3: To ensure high expectations which reflect the beliefs of the school that all students can learn.
- Goal #4: To provide frequent monitoring of students to enhance student achievement.
- Goal #5: To provide strong instructional leadership so as to give direction and support.
- Goal #6: To provide a fair evaluation to all students.

PROGRAM INTRODUCTION, DESCRIPTION & EVALUATION PROCESS

This nursing assistant training program prepares the student to care for residents in a health care facility under the supervision of a nurse.

Delivering health care is a very special job that the nursing assistant can take pride in. The NA student will be evaluated through periodic written testing and practical skills demonstrations. This program includes (12) class & (5) internship days; can be Monday through Friday.

ABOUT THE FACILITY

MEDPREP provides a relaxed environment including classroom & patient-care areas, break room area & restroom. The school can adequately accommodate up to thirty students but instead sets a smaller limit for student comfort.

The school is licensed under Chapter 28c.10 Inquiries or complaints regarding this or any other private vocational school may be made to the Workforce Training & Education Coordinating Board, 128 Tenth Avenue SW, Olympia, Washington, 98504-3105.

Visit the school or go on-line to register today!

How to Register:
